

THE REBECCA GOSS
"BOO-YAAH"
MEMORIAL FOUNDATION

The Rebecca Goss Memorial Foundation is honored to be the host charity of the 6th Annual Southern California Reined Cow Horse Association, Saddle Shootout and "Boo-Yaah" Benefit Show.

"Cut for a Cause" has designated Becca's "Boo-Yaah" Foundation as the receiving children's charity. Friday October 14th, 2011 at approximately 2:00 P.M., there will be a Belt Buckle Presentation given in four divisions "Cutter" - Open, "Cutter"- Non-Pro, "Ranch" Open and "Ranch" Non-Pro, in the Cutting Arena. We are expecting The Best In The West horses and riders in the cutting horses industry to participate in these classes.

We are excited to be a part of this spectacular sports horse show event. The show features three different skill contests for horse and riders; Cutting, Reining and Fencing. These quality Western Reined Stock Horses demonstrate the early Spanish traditions of highly trained and well reined Working Cow Horses.

The "Boo-Yaah" Foundation has awarded several college scholarships in Rebecca's name to deserving students who are pursuing an education in veterinary medicine. Due to the generosity of our sponsors, family and friends we have been fortunate enough to be able to sustain Becca's Foundation Mission by assisting every family that has made a request for financial aid, some of who may be familiar to you within the horse community. The families of little Ella Norwood and Grant Berg received financial assistance to offset the hardships that have occurred while caring for their children during their extended stays at the hospital.

Financial assistance is also made available for families that have lost a child due to illness or an accident with burial expenses and financial support for the families through an unbelievable time of hardship and grief. We are proud to recognize all of you that have made such generous contributions. Every donation matters and every dollar makes a difference.

At this time we are looking for corporate and private sponsors for this upcoming event. We are also soliciting donations of raffle prizes to generate funds for the foundation. If you would like to make a direct donation of cash, please see our web page www.beccaboo-yaah.org or make a check payable to The Rebecca Goss Boo-Yaah Memorial Foundation. Donations go to the support of families in need and to the scholarship fund. Enclosed you will find a donation and sponsorship form for your convenience.

We would like to thank you for taking an interest in Becca's Foundation. It is with great pride that we, her family carry her name forward into the future in this way, to be of service to families at the time of their overwhelming hardship is an honorable purpose that Rebecca would be proud to be a part of.

For those of you that have participated in past events as sponsors we would like to express our deepest gratitude for your generous support of this children's charity.

We cordially invite you to participate in this worthwhile and fun community event by becoming a corporate or individual sponsor and please join us for the day on

**Friday October 14, 2011 at approximately 2 P.M.
at Casner Ranch Temecula, CA**
